

Oakwood Grange

Oakwood Grange,
Weston Road, Morda,
Oswestry, SY10 9NS

Oakwood Grange is situated in the popular village of Morda approximately 1 mile from Oswestry town centre. The village benefits from a shop/post office, public house and primary school together with excellent road links onto the A5/A483

Oakwood Grange is the latest Primesave Properties development, based in Morda, on the Shropshire/ Mid Wales border.

Featuring 24 homes, the development will include a mixture of 2,3 and 4 bedroom properties, perfect for first time buyers, families and investors. Primesave Properties pride themselves on creating homes to suit their owners lifestyles and personalities, with complete personalisation available for the kitchen, bathroom, as well as appliances, tiles and flooring.

Primesave Properties is a house building company based in the county town of Shrewsbury, Shropshire. It was set up in 2008 by father and daughter team, Stephen and Keri Jennings. Both have many years working in the house building sector and together with their team they bring over 50 years' experience to the business. The aim of the company is to build good quality and good value new homes within Shropshire and the surrounding counties. Primesave Properties builds a selection of new homes from 2 bedroom terraces for first time buyers and investors to large executive 5 bedroom family homes. From individual plots to large schemes of 30 plus homes all of Primesave Properties offer options for everyone.
